The Missing Pieces

Have you ever struggled with a jigsaw, and been convinced that the pieces you desperately need are missing, only to discover after a more thorough search that they are indeed in the box.

Sometimes our lives seem to have pieces missing that we desperately need to complete the picture.

Our God always supplies every piece that is necessary to complete the plan that He has for us. When we thoroughly seek Him with all our hearts we will find Him and find the missing pieces already within ourselves.

Sozo

We continue to see transformed lives through the Sozo Ministry. (Leaflets on the table in the foyer) both within the church and further afield.

Sozo is on an individual basis and a very special and intimate time for the Sozoee with God.

If you would like to hear testimonies from those who have had a Sozo please see Jacqui or Allison and they will point you in the right direction.

Thought for the week:

Look not only to your own needs
But to the needs of others also.

Our world is in desperate need
And our world needs you.

Mini Springers

This week is our first week back after the school holidays.

We very much appreciate all of the help that the young people have given us every Sunday after the service, setting up the toys and activities over the past year.

It would be really helpful if we could have some more people, including some stronger men, to help them on a rota basis. If we have enough helpers it would only take 10-15 minutes.

If you feel you are able to do this please can you talk to Alison Hall.
Pastors Update

To help stoke our fire here are some common characteristics of revival to wet your appetite and to encourage you to pray for God to do it again:

In revival, there is a presence of God’s Spirit which is so powerful that it brings conviction, even upon stubborn unbelievers. At such times people become so preoccupied with the things of God that they don’t want to talk about anything else.

True revival is contagious; if it breaks out in one place, it has a tendency to spread rapidly, just as sparks from a fire will quickly spread the fire everywhere. Someone described it like this: “A revival is like a forest fire…the flame bursts forth in many different places, until all we can see is one great fire”.

In a revival, there is always a great deal of meditation upon God’s character, resulting in the healing of relationships, and the making up of differences. People are also delivered from long standing spiritual and physical illnesses.

In revival, there is always a deep thirst for the Word of God, and it becomes alive and new in people’s lives. And, God gives fresh revelation from His Word and mysteries are revealed.

Prior to revival, God always raises up people to pray! Such prayer prior to revival, sometimes happens in response to revelation from God that revival is coming, and that prayer is needed to bring it to birth!

During most revivals, people receive a fresh sense of the unity of all believers. Traditional barriers are dissolved, and people recognise that all believers are part of the same family of God, even although they belong to different churches and denominations.

All revivals are accompanied by opposition and criticism. This should not surprise us, because revival is spiritual warfare, and always involves an advance of God’s kingdom against the strongholds of the enemy. Therefore, Satan will do all he can to oppose and discredit the work of God, both from inside and outside the church.

Revival is the only answer for our town, region, and nation. And, I personally believe that God has spoken and said that “revival is coming”. So my encouragement to all of us is to pray it into being!
Experiences at KLC

We have had many wonderful experiences of the Grace of God, people have been set free and healed; spiritually and emotionally. As people have received their healing they have also had revelation on their true identity and on the heart of the Father.

People have been healed in His presence during worship.

On a Sunday morning at the end of the service we have a Prayer Team available who will willingly pray for your spiritual, emotional or physical needs.

We also have a Prophetic Encouragement Team who will seek the Lord for a personal word of encouragement for you.

Just one little word of encouragement can make a big difference to someone, and the results can be life changing.

There is one more thing about encouragement. No one ever gets too much of it, so be very generous, and give it often.

Calling all ladies

Lifeways begins again on Friday 25th September at 10.00am at my house and this term we are looking at the book of Malachi. It is the last recorded prophetic word before the birth of Jesus, and is a book that is full of questions and answers. As we await the second advent of Jesus, come and be challenged and encouraged by the Word God spoke to Malachi. If you would like to come please do let me know. We would love to see you and have a time of fellowship with you.
